

Escape Salvaje: Aventura de Safari de Día Completo en Chobe

DURACIÓN	DESDE	DESTINO	MINIMUM
1 día completo	USD 300 Por persona	Botswana	2 Viajeros

Una aventura de safari de día completo al Parque Nacional Chobe, renombrado por sus densas poblaciones de vida silvestre y su pintoresco frente ribereño. La excursión incluye traslados transfronterizos, un crucero guiado por el Río Chobe para observación

Itinerario

1 Reunión informativa previa a la salida y recogida.

Ventana de entrega | Kasane, Chobe, Botsuana

El día comienza con la recogida en el albergue, hotel o punto de encuentro acordado, seguido de una breve sesión informativa sobre el tiempo, la seguridad y qué esperar de Wild Escapade: Chobe Full-Day Safari Adventure.

2 Overnight: Travel Lodge, Kasane, standard room sharing

Kasane, Chobe, Botsuana

The night is spent at Travel Lodge in Kasane, in a standard room on a sharing basis, close to the Chobe riverfront and the park gate. The accommodation is what separates this itinerary from the one-day Chobe safari, and it is what the difference in price covers. Meals at the lodge beyond the buffet lunch on Day 1 are arranged directly with the lodge and are not included in the tour price. Single occupancy is available and is quoted on request, as the rate above is based on two people sharing a standard room.

3 Day 2: Morning in Kasane and onward transfer

Kasane, Chobe, Botsuana

After check-out you are transferred back to your starting point: your Kasane hotel, or across the Kazungula border to Victoria Falls if that is where the trip began. Your passport is needed again for the crossing. The morning itself is free. A second river cruise, another Chobe game drive or a Kasane village visit can be added at extra cost, and is arranged when you book rather than on the day, because park entry and boat seats have to be confirmed in advance. Transfer timing is set around your onward flight or your next activity, so say when you book what you need to connect with.
