DURATION**3-4 Hours****FROM****USD 120 per person****MINIMUM****3 travellers**

An open-vehicle game drive in Zambezi National Park, upstream of the Falls, following the river frontage and inland loops. Elephant, buffalo, giraffe, zebra and sable, with lion and leopard present but less often seen.

Itinerary

1**Park entry and briefing***Zimbabwe*

Collection from your hotel and the short drive to the park gate, where your guide completes entry and briefs the drive: what is being seen at the moment, where, and what the plan is for the session.

2**The river frontage***Zimbabwe*

The riverside road follows the Zambezi upstream, which is where the game concentrates in the dry months. Elephant come down to drink, and hippo and crocodile hold the channels and sandbanks.

3**Inland loops***Zimbabwe*

The route turns inland through teak woodland and open vleis, which is the better ground for sable, eland and giraffe. Guides work the loops according to recent sightings rather than a fixed circuit.

4**Sundowners and return***Zimbabwe*

On afternoon drives the vehicle stops at a river viewpoint for a drink as the light goes, which is the best photography of the day. Return transfer to your hotel is included.
