

4-Day Lower Zambezi Safari Experience

DURATION	FROM	DESTINATION	MINIMUM
4 Days / 3 Nights	USD 1,300 per person	Zambia	3 travellers

Four days in the Lower Zambezi, where the park runs along the river beneath the escarpment. Canoeing on the channels, walking safaris on foot and game drives, which is a wider range of activity than most parks allow.

Itinerary

1 Day 1: Arrival and the river

Lower Zambezi National Park

Transfer into the Lower Zambezi, met on arrival and taken through to camp. After settling in, an afternoon on the river to get your bearings, with elephant crossing between the islands and hippo holding the channels as the light drops.

2 Day 2: Canoeing the channels

Lower Zambezi National Park

A guided canoe safari along the quieter side channels, which is what the Lower Zambezi is known for. Moving silently at water level changes the encounters entirely: elephant on the bank, carmine bee-eaters in the cut banks, and hippo given a wide and deliberate berth by your guide.

3 Day 3: Walking safari and game drive

Lower Zambezi National Park

A morning walking safari with an armed professional guide, working on tracks, dung and the smaller detail a vehicle drives straight past. The afternoon is a 4x4 game drive through the floodplain and winterthorn woodland, where the buffalo herds and the lion that follow them concentrate.

4 Day 4: Final activity and departure

Lower Zambezi National Park

An early morning game drive or river activity depending on the season and your departure time, then breakfast, check-out and the transfer out. Park fees and all listed activities are included.
