

5-Day Okavango Delta & Moremi Explorer

DURATION	FROM	DESTINATION	MINIMUM
5 Days / 4 Nights	USD 1,550 per person	Botswana	2 travellers

Five days across both faces of the Okavango: the water concessions reached by mokoro and boat, and the dry-land game country of Moremi Game Reserve. Flown in from Maun, which saves a full day over the road.

Itinerary

1

Day 1: Arrival in Maun

Okavango Delta, Moremi Game Reserve

Arrive at Maun International Airport, clear immigration and meet your representative. Maun is the gateway to the Delta and the staging point for every flight into the concessions. Overnight in Maun with a briefing on baggage limits for the bush flight.

2

Day 2: Fly into the Delta

Okavango Delta, Moremi Game Reserve

A light-aircraft transfer into the inner Delta, which is itself one of the best game-viewing hours of the trip as the floodplain opens out below. Camp transfer, lunch, then an afternoon mokoro excursion through the reed channels.

3

Day 3: Water and island walking

Okavango Delta, Moremi Game Reserve

A full day in the water concession. Mokoro at first light when the channels are still, a guided island walk to read tracks and smaller signs on foot, and a second water activity in the late afternoon. Red lechwe and sitatunga are the specialities here.

4

Day 4: Transfer to Moremi

Okavango Delta, Moremi Game Reserve

Move across to Moremi Game Reserve, which is the dry-land half of the ecosystem and where the predator viewing concentrates. An afternoon 4x4 game drive through floodplain and mopane for lion, leopard and wild dog.

5

Day 5: Final drive and departure

Okavango Delta, Moremi Game Reserve

An early morning game drive while the light is good, then back to camp for breakfast and the flight out to Maun for onward connections. Park and conservation fees are included throughout.

What's included

- Mokoro excursions
- Game drives
- Full board accommodation

Not included

- Flights to Maun
- Travel insurance
- Premium drinks

What to bring

- Valid passport
- Malaria prophylaxis recommended
